

2012 - Mazda6 - Body and Accessories

TRUNK LID STAY DAMPER DISPOSAL

NOTE:

- The gas in the trunk lid stay damper is colorless, odorless, and non-toxic.
1. Wear protective eye wear.
 2. Lay the stay damper flat.

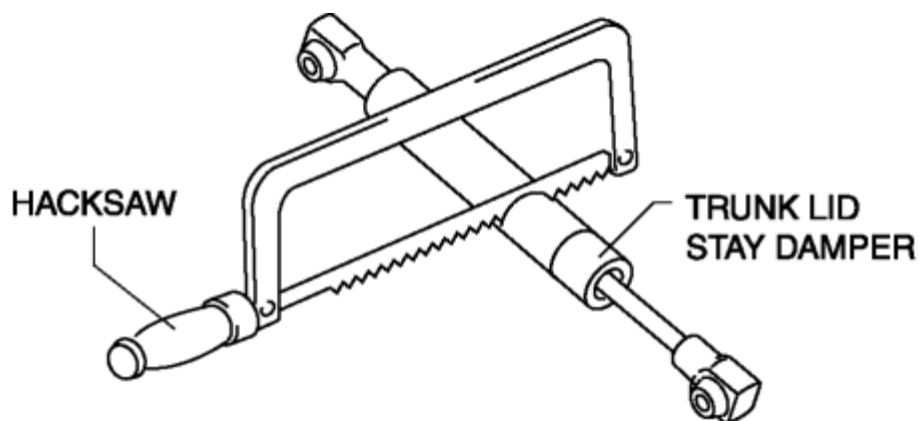

3. Saw through the trunk lid stay damper body using a hacksaw.
4. Allow the gas to escape from the trunk lid stay damper.
5. Discard the trunk lid stay damper.
